HOW IT WORKS

Our professional, kid friendly, hassle free Photo Shoot is easy as 1-2-3:

1. Schedule a photo shoot session with Ms. Li, our photographer.
2. Bring your family, items you want to wear or have in the photo shoot (for example, nice outfits, special items like your child's favorite stuffed animal, or a change of clothes.
3. After the photo shoot, go through the photos and tell us what items you would like your photos printed on (ie. Greeting cards, calendars, mugs, throws, etc.)

Ordered at cost.
